Help us Raise the Roof at Canter’s Cave 4-H Camp!

Make your donation by September 30 to help meet the match.

You’re invited to help us RAISE THE ROOF at Canter’s Cave 4-H Camp! Four buildings, including the Main Lodge, are badly in need of new roofs, so the Board of Directors has launched a capital campaign to Raise the Roof! Farm Credit Mid-America has pledged up to $40,000 in matching funds, and we need your help to ensure that we receive every penny of the match. To contribute, you may donate online at the link. Be sure to enter 303873 in the search field, and check to make sure the Canters Cave 4-H Camp Fund pops up as the designated fund. If you’d rather make a pledge or send a check directly to camp, please contact Camp or your local Extension Office for details. Help us meet our goal to Raise the Roof at camp!
