

Cloverbud Investigators

Cloverbuds will have a chance to come and learn at monthly fun filled science labs! Members will be able to explore science based activities with a seasonal twist. This month we will be meeting at the Extension Office and lab will start at 10am. Call or email Tiffany to reserve your spot at 740-446-7007 or riehm.11@osu.edu.

July 2nd

Geyser Soda Car

Cloverbuds learned about geysers that occur in nature as well as making one in the lab in the shape of a race car! They loved to watch them race across the parking lot as pop sprayed all over!

Non-Newtonian Flubber

Wear old clothes or bring a change of clothes

Non-Newtonian... What? We know that there are 3 states of matter liquid, solid and gas, but did you know that there are substances that can be both a liquid and a solid at the same time?
