

# Cloverboud Investigators

Cloverbuds will have a chance to come and learn at monthly fun filled science labs! Members will be able to explore science based activities with a seasonal twist. This month we will be meeting at the Extension Office and lab will start at 10am. Call or email Tiffany to reserve your spot at 740-446-7007 or rieh.11@osu.edu.

## March 5th

### St. Patty's Growing Animals

☘ Wear a club or clover shirt

In this lab, members will be learning about life science. We will be exploring both animals and plant life and what we all need to survive. We will even have a guest speaker, Erica Preston from Gallia Soil and Water, come and talk about trees!

## February 13th

### Be My Valentine Scribble bot

Last month, we learned about Valentine's Day and more importantly about The Engineering Design Process. Members were to design and construct a robot to help them color their Valentine's Cards.
