

2022 Fair INFORMATION

PLEASE READ CAREFULLY

Club Passes - Your club advisor will have your fair pass if:

- you enrolled in Fair Entry,
- completed a general project, had it judged and gave it to your advisor for display
- or gave your advisor something to be displayed (animal projects/pictures/crafts) in your club booth at the Gallia County Fair. **Please check with your advisor to see what they need for the club display.**

Each pass is labeled with the member's name and is good for use only by that member. If you did not get your general project judged or you are no longer bringing your animal to the fair, you will only receive a fair pass if you bring something to display in your club booth, like an educational poster (see above).

For Cloverbuds – Their exhibit can be artwork/crafts or pictures of them, check with your advisor to see what they want to exhibit.

Parents - Activity Building Help: We still need volunteers to help man the Activity Building during the week of the Fair. This can be parents or even older teens 16+). Please call the Extension office for a list of open slots. 740-446-7007

FAIR CHECK IN for SUNDAY July 31st
