

CFAES

A.I. SCHOOL

Coming September 26-28, 2022

Are you looking to implement newer or more effective reproductive technologies to your cattle herd? If so, **this A.I. school is for you!**

Each day educators and professionals from around the state will provide information and instruction critical to A.I.

A listing of each day's topics and presenters, as well as a **registration form**, can be found on the back of this flyer.

SPACE IS LIMITED!

Submit your registration today!

pike.osu.edu
